IN RESORT  
GROWS**"MURDER CHAMBER" IN  
WEST HAMMOND WILL SUR-  
PASS GUNNISS FARM****VICTIMS BURIED AT NIGHT;  
UNDERGROUND TO GRAVEYARD****Young Girl, Latest Victim, With  
Strange Needle Marks on Arm  
and Traces of Poison**

Chicago, Aug. 26.—A terrible cham-  
ber of death, said to have encom-  
passed the murders of more than  
twenty persons, has been discovered  
at West Hammond, Ind.

The fatal room, which is located  
in the rear of the resort operated  
by Henry Foss, has for the past ten  
years been the scene of twenty  
murders. In every case these  
deaths were sudden and unexplained.  
Murder was never suspected, how-  
ever, until an investigation was be-  
gun Aug. 14 as a result of the death  
of John Messmaker, who was stricken  
while drinking in the room and  
died shortly afterwards in the St.  
Francis hospital.

The inquiry came to a startling  
end yesterday afternoon with the dis-  
covery that a young woman had  
been the latest victim of the place  
and had been surreptitiously re-  
moved from the room and at mid-  
night buried in the West Hammond  
cemetery.

**Wealthy Contractor Murdered.**

Messmaker, who was a wealthy  
contractor of West Hammond, was  
hired into the Foss resort by a  
young woman, frequent of the  
place. Upon his person he carried  
several hundred dollars. The victim  
was induced to drink heavily and  
then fell into a torpor. During this  
period of coma the fearful murder  
instrument of the place was put to  
its deadly use.

Messmaker was murdered with the  
injection into his blood of a poison.  
The punctures on his arm saved  
a first clue in the gathering of the  
evidence. A later examination of  
the blood proved that a heavy am-  
ount of some deadly poison had  
been injected.

Messmaker's death occurred Aug.  
2, and an investigation was begun  
promptly. So severe was it that  
the frequenters of the place  
became frightened and yesterday  
told the story of the latest victim  
of the murder chamber. The infor-  
mation was investigated, a new-made  
grave was opened in an obscure part  
of the cemetery and the body of  
another Harrison of Indiana Harbor  
was unearthed.

Disappearance is Explained.  
The mystery of Miss Harrison's  
disappearance from her home seven  
months ago finally has been ex-  
plained. The young woman, who is  
said to have borne a good reputa-  
tion, was lured to West Hammond  
on a false promise of work and taken  
to the Foss resort. Her death  
probably was the result of her re-  
fusal to subject herself to the con-  
ditions.

When her body was removed yes-  
terday from its grave it was discov-  
ered that her arm, like that of Mes-  
maker, bore the markings of the  
needle. A blood test was made and  
poison of the same nature as that  
found in the body of the slain con-  
tractor was discovered.

**Death Came Suddenly.**

The informant told the police that  
the young woman's death had been  
as sudden as those of all the other  
victims who died within the fatal  
room. She said that the body had  
been hidden until midnight and then  
carried quietly to the graveyard and  
placed in a grave that had been dug  
for it several hours earlier. No re-  
port of the death was made to the  
police.

The account of this second murder  
recalled to the authorities the  
deaths of eighteen others who have  
lost their lives in the same resort.  
A close delving into the history of  
every case brought out the fact that  
the deaths of all bore the same  
strange symptoms. All of the twen-  
ty, the residents of West Hammond  
no wassert, were murdered in the  
place.

The discovery has so startled the  
better element in the city that a se-  
rious police scandal is imminent. Foss  
has been operating his place with-  
out a license, and has been, upon a  
number of occasions, ordered to  
board up the doors. This he has re-  
fused to do, insinuating he possesses  
a "pull" with the police, with  
which the mayor is powerless to in-  
terfere.

Virginia Brooks, the 18-year-old re-  
former, who has been fighting the  
vice ring in the city for two years,  
yesterday determined on a crusade  
of destruction. If no criminal action  
is taken against Foss and the own-

DELEGATES  
SELECTED TO  
CONVENTION**LOGAN COUNTY DEMO-  
CRATS TAKE ACTION—FA-  
VOR ELECTED CHAIRMAN**

The Democrats of Logan county  
met in convention at the city hall,  
Saturday afternoon, in response to  
the call of Chairman FAVOR and se-  
lected delegates to the Democratic  
state convention to be held at Ok-  
lahoma City Wednesday, August 28.  
The meeting was well attended.  
Chairman FAVOR called the conven-  
tion to order and on motion was se-  
lected as temporary, and then perma-  
nent chairman. All the Democratic  
county candidates were present and  
singing speeches were made telling  
of Democratic success at the polls in  
November.

Under the call on the number of  
votes cast for senator, Logan county  
is entitled to eleven delegates in the  
state convention. It was decided to  
send 22 delegates to the state conven-  
tion with one-half vote each. Eight  
delegates from the city and fourteen  
from the county outside of Guthrie.

Delegates named were as follows:  
Leslie G. Niblack, Walter Matthews,  
Galen Crow, W. T. Field, J. G. Lewis,  
B. F. Sanders, J. B. FAVOR, M.  
White, Sam Evans, H. V. Smith, H.  
R. Christopher, E. D. Pulliam, Nel-  
son Syler, Wm. Bross, J. W. Lovell,  
A. W. Poteet, John O'Neil, John  
Hopkins, Duke Jeffries, A. Cornwell,  
Frank Olesmith, John Wisbey.

The delegation was empowered to  
select alternates. City of Guthrie  
and Logan county were extended an  
invitation to cooperate with the dele-  
gation, go to Oklahoma City and host  
or the capital. The chairman an-  
nounced Messrs. Niblack, Matthews  
and Olesmith a committee to confer  
with the chamber of Commerce.

**Re-Elected Chairman**

Upon the adjournment of the con-  
vention, the Logan county central  
committee met and reorganized. John  
FAVOR, of Perth, was re-elected chair-  
man of the committee by acclamation.  
FAVOR is one of the wheel horse Dem-  
ocrats of Logan county. He has served  
as chairman five years and is the  
best man who ever worked on the job.  
L. Calvert was retired as secretary  
and James Lewis named as secretary.  
The chairman filled a number of va-  
cancies. Headquarters will be opened  
within a short time.

OKLAHOMA CITY NEGRO  
SHOOT OFFICER

Shirley Thomas, a fairly negro  
from Oklahoma City ran amuck at  
Ripley yesterday after he had prob-  
ably fatally wounded Wm. Farris, the  
city marshal. After the shooting the  
negro made an effort to escape, but  
was surrounded by a posse of chil-  
dren a short distance from Ripley  
and captured.

Failure of the officer to search the  
big drunk Oklahoma City negro  
after he had arrested him on a  
charge of drunkenness may cost Bill  
Farris, the officer, his life.

After placing Thomas under ar-  
rest, Farris started with him to the  
city jail, but after having gone only  
a few yards the negro, pulling a six-  
shooter from his pocket, dropped to  
his knee and taking deliberate aim,  
implied the gun at the marshal. Far-  
ris fell with bullet wounds through  
his mouth, arm and shoulder.

Hearing of the trouble, T. J. Hoyt,  
of Stillwater hastened to Ripley, took  
charge of the prisoner and rushed  
him to the county jail before the  
angry crowd had found a leader to  
carry out threats of lynching.

All negroes save two families have  
left Ripley for Oklahoma City. Two  
families were allowed to stay pro-  
viding they behave.

Unless complications set in it is  
thought Farris will recover.

EUGENE V. DEBS AC-  
CEPTS THE HONOR

Terre Haute, Ind., Aug. 26.—In  
marked contrast to the notification  
of the other political parties, the  
socialist presidential nominee, Eu-  
gene V. Debs, accepted the nomina-  
tion of the newspapers that they were  
the newspapers that they were  
at liberty to print his acceptance  
address he had sent out to news-  
papers in printed form. No com-  
mittee called on Debs; no ceremony  
of any kind was carried out.

NEGRO KILLS AND  
WOUNDS PURSUERS

Gadsden, Ala., Aug. 26.—During a  
battle between a fugitive negro and  
a mountain posse near here today  
the black killed one of his pursuers,  
wounded another and escaped. The  
chase still continues. Blood hounds  
have been ordered.

## "Bill" Frames Up Juicy One

Special Correspondence Daily Leader

Oklahoma City, Aug. 26.—Bill Alex-  
ander, boss bumper for the Oklahoma  
City capital committee, has a new  
one.

**People Hate Greed**

The Bartlesville Examiner, com-  
menting on the El Reno Press ex-  
coriation of Hogopolis says:

"The manipulators of elections in  
our bankrupt hogopolis, admit that  
the people of the state will vote to  
remove the capital, unless some  
scheme can be devised to thwart  
their will. With a view to that end  
one of the most notorious political  
bosses and election fixers in the  
state has been put in charge of the  
capital campaign, not to inspire con-  
fidence, or add character to the  
cause, but to carry the election. They  
have millions at their command to  
sweep the people, but not one cent to  
pay the rent they promised to make  
good their pledges to the state. They  
are long on fuss and feathers, but  
short on every pledge that it takes  
dollars to redeem. An analysis of  
their promised donations to the cap-  
ital fund shows payment in lands at  
six hundred dollars an acre, worth  
sixty, and listed for taxes at less  
than Bob Owen's mythical swamp

lands on the classic banks of the Lit-  
tle Rocky. The eyes of the people of  
the whole state have been glued to  
the monstrous frauds encompassed by  
the removal of the capital from Guth-  
rie and they will vote to avenge the  
wrong at the first opportunity. Has  
kell attempted to build a capital with-  
out cost to the people and contract  
with Oklahoma City to that end  
two years ago. They have not only  
violated every solemn pledge in that  
contract, but have shown the most  
brazen ingratitude to the man who  
gave them the capital. They have be-  
trayed the hopes of old, they have  
betrayed the people of the state. They  
are not only intensely selfish, but  
honest. Like that hyena that  
followed Bonilton to Damascus, the  
people of the state deserve of the  
gratitude as made a political and fi-  
nancial mistake when a majority of  
them voted to remove the capital  
from Guthrie and in our humble  
opinion they will correct that mis-  
take at the first opportunity. Okla-  
homa City's attitude political attitude  
is the primary election just passed  
will cost them the state capital. The  
American people hate greed and in-  
gratitude above all other crimes."

PROMISE  
OF WARM  
CONVENTION**WEST SIDE DEMOCRATS  
WILL BE IN EVIDENCE AT  
STATE MEETING**

Special to The Daily Leader.

Oklahoma City, Aug. 26.—There  
promises to be some merry times in  
the Democratic state convention  
which convenes hereon Wednesday.  
The vanguard of Democrats is al-  
ready coming in.

The seriousness of west side Demo-  
crats over the east side grabbing  
everything in the way of offices is  
beginning to be felt.

It is possible that Harrell, of Was-  
com, may have to fight to hold his  
job from a west side Democrat. It  
is certain that Duke Stallins has a  
fight on his hands. West sides are  
pushing the claims of Frawley, of  
Alva, hard. All the Democratic nom-  
inees except Jack Love, come from  
old Indian Territory.

It is said a fight will be made in  
the interest of Hugh Gerner, who  
was ousted from the inspector and  
examiners office by Gov. Croce.  
Fred Parkinson, his successor, is al-  
so an east sider. Resolutions en-  
dorsing the late Inspector Taylor's  
administration will be passed.

Judge Bowles, of Perry, will be  
temporary chairman of the conven-  
tion and some other west side man  
will be made permanent chairman.

In many of the county conven-  
tions, bitter fights prevailed. In  
Muskegon county Haskell delegates  
were selected. Fred Branson was left  
off the delegation. C. N. Haskell  
was named, but it is said he will not

attend the convention. It is said Bill  
Murray will lead a fight against the  
Croce administration in the conven-  
tion.

WOULD INVESTIGATE  
ELECTION OF WEST  
VIRGINIA SENATORS

(By Associated Press.)

Washington, Aug. 26.—A demand  
for an investigation of the election  
of Senators William E. Chilton and  
Clarence W. Waton, of West Vir-  
ginia was made in a petition signed  
by Governor Glascock and others  
and which was presented today to  
the senate through Senator Gallinger,  
its presiding officer. The petition  
called the attention to charges of  
bribery, publicly made in reference  
to the election of the two West Vir-  
ginia senators.

SCHOOL ELECTION WILL  
BE HELD TOMORROW

If you are interested in having  
the city schools run nine months,  
get out tomorrow and vote for the  
added mill levy. [The decreased val-  
uation of property in the district  
necessitates the added mill levy.]

It is necessary to have 60 per cent  
of the vote to carry the levy. If  
the added levy fails to be voted the  
schools will be retarded and the  
term shortened several months. Vote  
for the levy.

## WOMEN'S AUXILIARY MEETING

The regular quarterly meeting of  
the women's auxiliary to the Farm-  
ers' Institute of Logan county will  
be held at the City Hall Saturday,  
Aug. 31, at 2:30 p. m.

An interesting program has been  
prepared and every woman in the  
county interested in farm and home  
improvement is urged to be present.

## TRIBUTE

CONGRESS  
TIED UP IN  
DEADLOCK**LA FOLLETTE'S FILIBUSTER  
ON PENROSE RESOLUTION  
FINALLY BORE FRUIT**

Washington, Aug. 26.—With Sen-  
ator La Follette holding to his  
threat of a filibuster which would  
immediately adjourn the session of  
congress, the senator, early this  
morning, passed without a roll call  
the Penrose resolution to have the  
Clapp committee inquire into the  
correspondence or financial transac-  
tions between Archibald, Perkins,  
Roosevelt and members of congress.

The leaders on both sides of the  
question declared this is a forecast  
of adjournment, probably tonight.  
The only other possibility of delay  
now is on the general deficiency bill,  
of the leaders this afternoon reach-  
ed an agreement to leave the dis-  
puted "state claims" out of the  
measure until the next session of  
congress, at which time they are ex-  
pected to be fulfilled.

This agreement is said to be agree-  
able to the house members, which  
if it develops to be the case means  
an adjournment sure this evening.  
The appropriations for expenses  
of the government for the fiscal  
year of nineteen thirteen amounted  
to \$1,000,000,000, according to a  
statement made in the senate today  
by Senator Warren, chairman of the  
appropriations committee. The total  
is less than that of last year by  
\$1,046,788.

**What Congress Has Done**

The completed congressional record  
of the session will number approx-  
imately 125,000 pages or 25,000,000  
words. It is the longest record of  
any previous congress. No statement  
is yet available as to the amount of  
money appropriated in the first regu-  
lar session of the sixty-second con-  
gress, but a careful estimate shows  
that this still is a billion dollar con-  
gress.

The appropriations of the first ses-  
sion of the sixty-first congress were  
\$1,028,000,000 in round figures. Dem-  
ocrats on the appropriation commit-  
tee after a hurried perusal of the ap-  
propriation budgets as they were  
whipped into shape believe they will

ing crowd is sure to be here on the  
three days set apart for labor's big

fruits and canned goods and gen-  
eral farm products was approved and  
a liberal appropriation made for live

Mexico City, Aug. 26.—Merciless ex-  
termination of rebels and all those  
who support them in the feature of  
the new campaign which began offi-  
cially today. Throughout regions in-  
fested by rebels, whether captured or  
by Orozco, Zapata or chiefs of less re-  
nown, the measure providing for a  
suspension of the constitution guar-  
antees of regular trial went into ef-  
fect and any officer above the rank of  
major now has the right to inflict  
summarily capital punishment on all  
rebels who fall into their hands if  
he is satisfied of his captive's guilt.  
Consequently few or no insurgents  
escape themselves of the effects of  
an amnesty extended for almost a  
month prior to the putting into effect  
of the stern measure of suspended  
guarantees, and reports from Toluca,  
in the state of Mexico; from other  
districts in the south and from Torre-  
on indicate that conditions are ill-  
bode better perhaps than they were a  
month ago.

Instead of having disappeared from  
the state of Mexico into the moun-  
tains of Guerrero, the Zapatistas are  
now reported as practically in control  
of the villages and haciendas a  
few miles south of Toluca, capital of  
the state of Mexico. Benjamin Argu-

officers, are operating in the rear of  
General Huerta near Torreon, while  
General Huerta is made to displace the  
fact that Camacho, Campa, Fernandez

Orozco himself and Salazar are
